

CATHOLICS PRAY ALLAH

Newsmax Magazine (1009P11) - Roman Catholic Bishop wants Catholics to pray to "Allah" and is urging the faithful to recognize Allah as almighty God to improve relationships between Catholics and Muslims. Bishop Martinus Muskens said, "God doesn't really care how we address him." God, he insisted, is above "discussing and bickering." The Catholic Bishop added that he prayed to Allah when he was in Indonesia. "God is called Allah over there so why can't we start doing that together?" The Bible clearly never mentions Allah as Lord and many names are given to the Lord, but never Allah who is the Muslim Moon God. Perversion of the Bible is taking place at an alarming rate to appease Muslims and to distort the Holy Bible is still an abomination to God the Father, Jesus Christ and the Holy Spirit. Believe it or not Roman Catholicism is a false religion serving a different Jesus and another gospel not of the Bible. Do not be fooled!

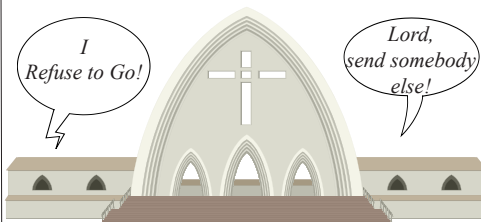

THE TITHE LIE

USA - Protestant pastors are robbing God of His tithe money stealing money from church members. Bible verse Malachi 3:10 is Old Testament and tithing was abolished thereafter being Biblical, but not Christian. Apostles *never* collected tithe money, ever! Never is a "tithe" required for Christians in the NT Bible. Pastors are "picking" Bible verses from Old Testament and fooling the people. Plus, only Levites were to take tithe money and pastors are clearly not Jewish Levites! Don't be duped. Read, "The Tithe Lie" article at JamesRussellPublishing.com it will shock you, but it is Biblically true and correct.

APOSTASY DEVOTIONAL BOOK

This eye-opening book exposes false pastors operating inside churches and explains how they use psychology to manipulate churchgoers and twist the Holy Scriptures in the Bible. "They use the truth to teach a lie by simply leaving out crucial Biblical teachings in their sermons, but churchgoers are totally blinded by the technique," says the author. You can order a copy at any local bookstore, Amazon.com or at JamesRussellPublishing.com. "If you promise them heaven, they will follow you to hell."

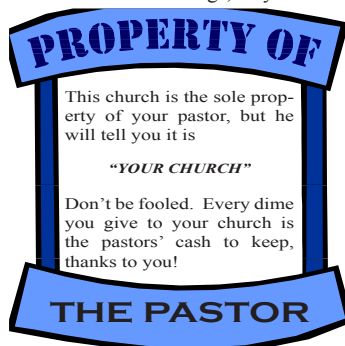

PROTESTANTS WON'T GO

Boston, MA - Protestant churchgoers refuse to share the gospel with the lost in their daily travels and will not even leave a gospel tract anywhere a lost soul can find one. "We rather obey our pastor and not Jesus," said one Christian. "We even have our own Web site: ObeyYourPastorNotJesus.com so check it out and come join us in this new and exciting moment in Christianity." It is no mistake pastors do not teach churchgoers how to save the lost and they certainly do not preach on this subject despite the fact Jesus commanded his followers to go share the gospel as the Great Commission. Another Christian added, "We believe in Jesus, but we do not do what he says. We have a new revelation to follow and that is given to us by our pastor in his weekly church sermons. That is how God speaks to us churchgoers today." When asked, "What about the Bible?" he answered, "The Bible is no longer relevant in the modern real world and that is why Christians do not adhere to it. Evolution changes everything and our church has evolved. If you want to hear about Jesus come to church, we don't go to you." Another churchgoer said, "We look down upon those who share the gospel to the lost. To us it is a sinful act to be avoided at all cost. Who are we to threaten people that if they do not believe in Jesus that they will burn in hell forever? No. We are nice churchgoers and we only want to go to church each week and hear our pastor tell us nice things. What's wrong with that?"

PASTORS STEAL CHURCHES

USA - Pastors are taking money from people, building churches and other real estate and suddenly selling out leaving church members with no church. The practice is increasing and it is legal because donations are simply that. The pastor "owns" the church by law and he can do as he pleases with it. None of this is Biblical. Jesus never told pastors to build church buildings, they met in homes!

Churchgoers are shocked, irate and feel betrayed and defiled as these selfish and uncaring pastors padlock the church door with a sign posted, "THE CHURCH IS PERMANENTLY CLOSED" and that's the penalty thousands of churchgoers are facing as their trusted pastors secretly pull up stakes in the darkness of night and skip town.

JOIN OUTLAW GANG

Reno, NV - "The spread of street gangs from California are invading Nevada," says one anonymous person. "We can't stop them, so you may as well join them!" Christian pastors have come up with a scheme to get these wannabe gangsters membership in a real Christian gang. **Thugs for Jesus** is one example. "We look bad, we dress like bums with dirty long hair and we ride fast skateboards," says one member. "Even the devil is afraid of us!" one bragged. Joker, the President pastor from Los Angeles bicycle chapter said, "Look, if ya wanna be a bad dude ya gotta be a church member. We don't save the lost. We disobey our Lord cause we won't go do it. I won't leave a gospel tract anywhere, any day, any time, never, ever." "We don't fear God, Jesus or his Holy Spirit," says Johnny Rapture from the feared **Sons of Disobedience Motorcycle Gang**, "We want wimps to ride with us and go to church with us, people who are scared to go share the gospel to the lost. That's the sort of people our pastor desires and so does yours, admit it! Besides, people fear us and we fear them, so let them all go to hell. Who cares? As long as us churchgoers go to heaven everything is cool, right?" Churches claim they have millions of Biblical outlaw gang members disobeying Jesus Christ' command to go save the lost. Joker added, "Jesus never told us to go to church each week, but we do because our pastor tells us to and that's who we serve with all of our heart, mind and soul."

JESUS WARNING

Jesus was clear in the Bible warning people to beware of the false pastors who portray themselves as angels of light calling them "hirelings" as they care not for the flock and will flee without warning. Churchgoers are loving their pastors more then they love the Lord and God warned He would cut them off. Guess what? He did.

Did you hear the News?
Pastor Tom locked up the church,
cashed out our bank accounts and he
skipped town last night.
We lost everything!

Over Please

GAYS IN CHURCH

SF CA - "We don't specifically invite homosexuals to join our church, but we won't refuse them either." That is the common theme today from Christian pastors. It is their own version of **Don't Ask, Don't Tell** policy every church now employs. Homosexuals now, by law, cannot be stopped from joining your church. Pastors have signed an IRS agreement (see adjacent news piece) agreeing to let them in and become Christians despite the Bible clearly saying homosexuals are not going to heaven. Saint Paul specifically mentions this in his gospel writings targeting homosexuals. Pastors must now rip out that verse from their Bibles and not preach about this any more. In fact, they now pretend these homosexual church members are going to heaven and preach the rest of the Bible to them except verses related to homosexuality, it being sin and condemned by the Bible. Every pastor in the USA is bound by this new agreement.

ILLEGAL ALIENS GO TO HELL

San Diego, CA - According to the Bible undocumented immigrants are going to hell. The Bible says those who violate laws are workers of iniquity and Jesus said he will send them to hell prepared for the devil and his angels. Saint Paul also clearly warned that liars, thieves, cheats and con-artists also will not enter heaven. When an illegal alien enters a nation without permission he is now a worker of iniquity and must go to hell. Yet, church pastors are lying to these illegal immigrants that are church members telling them, "Everything is okay. God understands your plight and he will let liars, cheats and sinners into his holy heavenly presence. You are going to heaven!" God does not lie. He spoke in the Bible who goes to heaven and who does not and illegal aliens do not qualify. Even if they obtain amnesty God has no amnesty program for unrepentant sin. Now they can't repent (turn away from their wrongdoing and go back home) and are doomed to eternal damnation. They become citizens of Satan's hell!

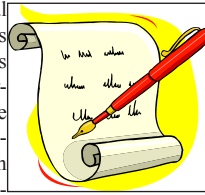

ALIENS DOOMED TO HELL

Hell is for sinners and anybody who sneaks into a country unlawfully is a law breaking sinner which the Bible promises an awful penalty of hell. People today think they can get into heaven, but the Bible makes it clear that those who cheat, lie, steal and break laws are the "lawless ones" and are Satan's agents and work not for God even if they do go to church and claim to be "Christians" the Bible says they will be cast away into hell. God will not have liars and cheats in his heaven no matter what church pastors say otherwise. God does not lie! Read your Bible!

PASTORS SIGN AGREEMENT

Washington DC - Internal Revenue Department demands pastors who own churches must agree not to preach certain things as follows in the **IRS Church Tax Guide**. Failure to do so will subject church members to arrest and prosecution and closure of the church. Every pastor must sign the document and agree in full to the terms and conditions as they are now agents of the state. Agree not to disbar homosexuals from church membership, must not preach on any subject that is contrary to public policy even if the Bible condemns their silence, must never lead a public protest against any business or entity that has a right under law to exist including abortion clinics, strip clubs, etc., never endorse a public candidate who opposes an anti-Christian candidate, each year must tell church members to pay their taxes, never preach against homosexuals or claim they will never be members of his church, never discriminate by barring church membership to felons or others of devious character if they want to join the church including rapists, thieves, con-artists, murderers, etc. to fully comply with anti-discrimination laws, never preach in the pulpit or in public places Biblical subjects that expose or oppose sins that are common to public policy. One may say, "To keep my church IRS legal to retain tax-free income I must compromise my faith and disobey the Bible and not teach certain Bible verses. I know it is compromise, but we all do it." You can learn more about this IRS agreement on **JamesRussellPublishing.com** Web site's free gospel tract.

THE TEST

Las Vegas, NV - Are you a Christian? How can you be sure? Just because you go to church and your pastor tells you that you are a Christian and you believe in Jesus Christ is not a true sign that you are a born-again Christian. The secret is bearing fruit. There must be fruit just as Jesus said. A free test is available on **JamesRussellPublishing.com** Web site so you can answer some questions to see how well you score.

HOW TO TELL A PASTOR IS LYING

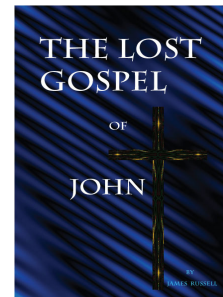

Watch television preachers and listen to church pastors sermons. They all sound Biblically correct and they usually are, but there is a method you can use to find out if they are actually lying to you. Just ask this one question when the sermon is over, "How many people will be on fire for God to go save the lost after hearing this wonderful sermon?" The answer is always "zero" and it means the pastor/preacher is lying, preaching some other gospel not of the Bible. The gospels are all about saving the lost and the purpose of a church is to prepare the churchgoer to go forth and save the lost.

COUNT THE LOST SOULS

Count the churches in your Yellow Pages telephone book. Assume there are 150 church members in each church. How many gospel tracts would be distributed in one year if each church member left just seven gospel tracts each day? Write that number down here _____ . Imagine how many souls would be saved nationwide if pastors only bothered to teach churchgoers this simple method to reach the lost for Christ, but they don't. They are not concerned to obey Jesus to share the gospel.

WE BELIEVE A LIE

International Press - Church members everywhere are now proclaiming, "We rather believe a lie than believe the truth." This is the new attitude, the new Christianity that condemns the Biblical Fundamentalist Christian to label them the bad guys when they try to expose pastoral wrongdoings, financial and church mismanagement, fraud and false teachings. "We know the Bible says some pretty horrible things about those who practice apostasy false teachings straying from the Bible, but I as a church member do not want to hear it. I am happy just to go to church and hear my pastor's sermons uplift my soul with positive thinking speak." Another church member replies, "I don't believe a pastor has the ability to lie. He is a man of God. He is infallible when he speaks in his pulpit or even on the streets. He is not human!" Another churchgoer says, "My church would never teach me lies, so why do I need a Bible? Just so it can lie to me?" The Bible is considered to be the line drawn in the sand of truth. Pastors today ignore many Bible verses when preaching and skip them in their sermons. The Bible says this is called not preaching the full council of God and pastors are forbidden to do it, but they do, and do so with impunity, misleading millions of churchgoers. The Fundamental Evangelistic Association (**Feasite.org**) is a good source to discover if your pastor is misleading you (99% are misleading people). Jesus said to beware of the hirelings (pastors). Don't be fooled!

THE LOST GOSPEL OF JOHN

What if the Jesus being taught inside your church was a counterfeit Jesus, a different Jesus? A Jesus that appears to be Biblical, but in reality is a Jesus from hell. The apostle Paul warned about that this counterfeit Jesus is real and exists inside churches unaware. The Lost Gospel of John is a new Bible taking you on a journey with the apostles showing you this dangerous Jesus and how he operates and how his pastors run churches to deceive with powerful undetectable skills. This is the book Christians should read for it is a great test of wisdom and knowledge that will absolutely awaken you to the great falling away of the church in these last days. A powerful gospel to bring you back to the real Jesus of the Bible. "You will be astonished to learn that your own pastor is using these secret techniques in your church. You will instantly be able to spot a pastor lying to you even when he is telling you the truth. This is a fabulous gospel very much needed today," says the author. You can purchase the book at any bookstore, Amazon.com or at **JamesRussellPublishing.com**. The book is also available as an e-book. "Jesus said to be wise as a serpent and harmless as a dove." This book will give you strong wisdom and it will lead you to the truth of the Bible.
