

IDLOLS IN THE HOUSE DEMONS ARRIVE IN FORCE

Elmira, NY - Churchgoing Christians homes are filled with religious idols inviting demons to enter their homes and many are facing disasters and sickness because of it! Pastors have been silent too long refusing to preach *The Ten Commandments* being God's Law to be obeyed. Pastors simply stay away from sensitive subjects so they won't offend churchgoers. Many professing Christians visit Christian bookstores and load up with statues of angels, crucifixes and all sorts of graven images of Jesus, saints, etc., and their homes and cars bristle with such idolatry because pastors do not denounce the practice and by their silence endorse it. It's good for business, but dangerous to home life. The Second Commandment condemns any who retain idols of anything in heaven or on earth and the Bible clearly warns there is a demon behind every idol - 1 Corinthians 10:20. When anybody puts an idol inside their home they invite an evil spirit to bring sickness, disease, wrong thinking, given up to believe a lie, devil possession and a series of wicked bad luck incidences into their life. Missed job promotions, layoffs, financial distress and marital ruin to name a few horrors. Get rid of the idols and life will take a turn for the better. There should be zero idols inside your home and even rosary beads and saint's medals are all wicked idols according to God's Word in the Holy Bible. Did you know Roman Catholics removed that Second Commandment from their Bible? They did, so they can disobey God's Law! The religion's full of idolatry. Statues of saints are everywhere in their church and they sell idols in the church so you can wear, carry on your person or take them home. It's a false religion you must come out of. Anyone who removes and changes God's Bible and pursues idolatry is doomed to ruin. Read the Bible and see what God does to idolators. Hint, they *don't* go to heaven! Saint Paul said it straight out that idolators do *not* get to heaven. Read the King James Version Bible. Idols will ruin you here and in the hereafter. Get rid of them. And don't give any away, destroy them!

SEX OFFENDER HIRED

CHRISTIANITY TODAY 1109 Randy Meadows, pastor of City of Refuge Worship Center in Louisville on hiring a sex offender as the music minister says, "[We are] preaching the simple gospel of Jesus Christ, that he is a God of love and a God of second and third chances, and even many more. [But] we are very watchful." The Bible does not authorize such sex offenders to be in Christian ministry they are to be marked and avoided, kicked out of the church, not coddled. Pastors advertise in media to anyone to come visit their church. "It's like inviting the devil to your dinner table for fellowship," say's one Christian. "That's what pastors are doing! Inviting criminals, murderers, rapists, child molesters to 'prey' on church members. These pastors are dangerous." The Apostles never let just anyone show up in their fellowship meetings inside their homes, but pastors let anyone into their church. Watch and read the news. Churchgoers are the victims of these monsters.

ANOTHER CHRISTIAN GANG

Reno, NV - "Reno, Nevada is our prime choice to launch our gangs nationwide," says Jo-jo Joker of the Disobedient Bastards Motorcycle Gang. "We have a Web site inviting many people to join gangs and we offer all sorts of gangs you can join," say's Joker. The Web site link is on JRPub.com, go to the index page and look for 'Join a Gang' link. You can join car owner gangs, bicycle, skateboard, whatever activity you enjoy there is a gang that welcomes you. Joker explains, "We are all Christians that dress with the appearance of evil and we are disobedient to obey the true gospel of Jesus Christ. We don't save the lost 'cause we don't like them and we don't want them to get to heaven. Yeah, I admit we are bad dudes and our biker chicks are wicked churchgoing ladies and you won't see them witnessing for Christ. We only obey our pastor, everybody else can go to hell. God says in the Bible that He has sons and bastards and we choose to be His bastards. Come join us. Be disobedient and proud to hang out with us at motorcycle rallies and don't forget to go to church!" There are tens of thousands of these church member gangs across the nation and they all go to church each week and a pastor controls their activity, pastors that manage and operate typical churches in your town. These church pastors are now fostering the "bad boy" image to attract bad boys and girls to become church members. What will these pastors do next for church growth?

JESUS' WARNING

Jesus was not kidding when he said if you do not bear good fruit he will cut you off his vine and burn you up in a furnace like dry straw. He also warned that if you do not gather souls for him you scatter and you are his enemy. He also said that lukewarm believers will be spewed out of his mouth. Imagine that! He is warning you now to get busy doing the work of his Father or else. Today, Christians are too busy serving the interests of their pastor and not doing the job Jesus told them to do. Is this you? Better get back and read your Bible. Notice that your pastor "avoids like hell" these sayings of Jesus. Beware, he is teaching a false gospel when he fails to teach the whole council of God. Problem is, most all churchgoers believe their good pastor is not doing this, but they are! Take notation of what Jesus said in the Bible and then see how much of Jesus' words are being ignored and pushed aside in your pastor's sweet sermons. You'll see that he is preaching something very different than what Jesus and the Bible is teaching. It's a serious problem and a sign of the times of a great falling away from the Bible. Churchgoers, for some reason, believe they can disobey Jesus and get away with it. Jesus warned about this behavior. That's what a traitor does! Check out this Website: **ObeyYourPastorNotJesus.com** you will learn a lot about how pastors deceive the gullible and the mature saints of God. Do you know how many times Jesus said, "Do not be deceived" in the Bible? That is a commandment of Jesus. Are you really obeying him? Going to church is not complying with anything Jesus told you to do.

CITIZENS KIDNAPPED

Mexico - 40 USA citizens are missing vacationing in Mexico. They have been kidnapped by criminals. Some are tortured, enslaved, sold, ransomed or murdered. So, the next time you see a contest to win a trip to Mexico think twice and refuse to enter that contest! People do not realize that when they leave the USA they no longer have constitutional rights. For years corrupt Mexican police and officials have arrested vacationing United States citizens for bribe money to be released from Mexican jails. Those who can't pay the exorbitant price end up in a vile run down prison ruled by gangs suffering a fate worse than death. If you vacation in Mexico, and other nations including Muslim nations, you are in great danger of being kidnapped. The world is rapidly changing and Americans are being increasingly hated worldwide. Solution? There are many wonderful National Parks and cities and towns in the USA to enjoy. Why not support your own country and keep your money here at home where it belongs? Try Yellowstone, Montana, Arizona, California, you name it we have it all. Plus you and your entire family will return home together in one piece. It is a dangerous world out there and it's getting horrifically worse by the minute. Stay clear of the towns bordering Mexico as American citizens are being kidnapped in the USA and then taken into Mexico. The border security situation is woefully out of control. Write your elected officials Congressman and Senators demanding borders be sealed for citizen safety and national security. Your letter helps as illegal immigration amnesty programs are stalled and stopped due to such letters. Do your nation a favor!

SPEEDING CHRISTIANS

Sacramento, CA - Christians are speeding as they drive on the freeways and city streets believing they don't need to set an example to obey the laws. "We do what the pagans do. If they drive fast, then we drive fast. If they drive slow then we drive faster," says one Christian offender. The Bible is clear about godly people that they are to obey the laws of the land and even Jesus told his disciples to obey the laws, but modern day Christians simply ignore the Bible and Jesus. "We are above the law, we are saved by grace, we don't have to obey laws," says another Christian who is a speeding hazard, "I don't bother with speed limits. I am a child of God and everybody else is a child of the devil, so get out of my way!" You will see Christian symbols on vehicles owned by churchgoers and you will notice that the vast majority of them are violating the speed limit. The Highway Patrol says, "You can not exceed the speed limit for any reason, even if you are passing another vehicle." The Christian response is, "We are saved and going to heaven no matter how many laws we violate God does not care and neither do I. Call us the lawless ones if you want to and frankly, we don't care what the Bible says. We go to church and our pastor tells us we are saved. He assures us we can't backslide and lose our salvation. We are heaven-bound citizens. To obey earthly laws is foolishness to us. We are above the laws of man and even the laws of the Bible!" The Bible still calls lawlessness sin and it says those who violate laws are *not* going to heaven. That's God's version of His speeding ticket!

BISHOP ARRESTED CHILD PORN CATHOLIC PRIESTS ARE STILL AT IT

Halifax, Nova Scotia - The Week 1009: Catholic Bishop Raymond Lahey, 69, was arrested and charged with importing child pornography after authorities reportedly found the porn in his possession. He has resigned as bishop. Just a few months ago, Lahey was widely praised for reaching a \$15 million out-of-court settlement with victims of sexual abuse by priests in his diocese. At that time, he said he hoped, "to never again have to deal with such reprehensible behavior." After Lahey's arrest, another priest said he had informed the church authorities 20 years ago that Lahey possessed child pornography, but the matter was dropped. In another news release Bridgeport, Conn: the Roman Catholic Diocese must turn over internal documents relating to the clergy sex-abuse scandal, after the U.S. Supreme Court refused to block their release. Several newspapers had sued to gain access to 12,000 pages of documents, generated during 23 lawsuits against six priests accused of molesting young boys. "The right of the church to determine the suitability of its own ministers has been compromised," said Bridgeport Bishop William Lori. Note: It is amazing with so much rot going on inside a church Catholic churchgoers still support and donate money to such a decrepit organization not fit to be called a church because this Catholic religion is clearly embarrassing the God they so claim they serve. By giving money to their church they are now partakers of the church's sins. That's what the Bible says! There will be more than just Catholic priests in hell, all those who continue to support that Catholic church system will burn with their child-molesting priests! The Catholic church is breeding child molesters and protecting those guilty priests? Is Bishop Lahey, and those like him, relaxing in a Roman Catholic retirement home collecting a nice pension from Catholic churchgoers? What do you think?

THE NASTY JESUS

Mt. Lassen, CA - A pastor took his membership to the Sulphur Works at Lassen National Park and preached the bad things Jesus said in the Bible. One said, "He spoke about us being cut off from God if we don't obey Jesus. It was offensive, depressing and irresponsible of him to wreck our good mood. We came here to have fun!" Another commented, "We could smell the sulphurous fumes of hell and the hot steam hissing on us as he quoted Jesus saying we are going to hell. I was scared, but it was enough for me. I am leaving the church to go see a pastor that will not teach me the Bible, at least these horrible negative things that Jesus said. I need a better sermon than that! It ruined my trip."

ISLAMIC INVASION A POWERFUL MUST READ BOOK

Politicians are ignorant to publicly say that Islam is a peaceful religion. Don't you believe it! Islam obeys their Quran and in that book it specifically tells Muslims to convert you or the Muslim must enslave you, make you pay money to them as a tax, cut your head off or crucify you. You must convert to Islam or else. Muslims have been at total war with mankind in every generation for 1,300 years. That is why we are at war with the Muslims today in the Middle East and throughout the world. That is why they attack us. The Muslim tactic? They come to a nation, set up mosques and begin to take over. They do not assimilate into society, they retain their Muslim laws and customs and financially support Islam to wage Jihad wars. England, France, Norway, Sweden and Germany are now suffering greatly letting the Muslims by the millions immigrate to their nations and they lost control of the Muslims. We have politicians swearing into office using the Muslim Quran, not the Holy Bible. Muslims will "convert" us to Islam or kill us and that war is real and this nation is ground zero for the Muslim invasion! Read the book, *Islamic Invasion* by Robert Morey. It is so powerful and scary you will not be able to put the book down. It is written in easy to understand language and is not a religious book, but an outright warning to Americans and the world that the Muslims mean what they say when they say they will conquer the world. That war rages on today. Read the book! A good Web site to visit is: ReligionOfPeace.com you'll quickly see that Islam is a religion of war, slavery, oppression and death. They are planted deeply in America and growing with prison inmates and those paroled out of prison.

SILENT CHRISTIANS WHAT YOU NEED TO KNOW

Rapid City, SD - Pastors have created a different breed of Christian churchgoer than what the Bible describes. Today, Christians are silent all week long and hide inside their churches a few hours on weekends then they go out to play in the world remaining absolutely silent. "We don't share the gospel to anyone especially strangers. We will be nice to people, but we will not hand them any gospel literature that could save them, not even a measly gospel tract," says an elder Christian in a large church. A pastor says, "We don't believe we should share the gospel to those people heading to hell. We believe us Christians who go to church each week are saved and we obtain God's blessings and favors. What business do we have to tell God that He has to bless other people too? No way. We want all of God's blessings to ourselves and the Bible says we don't have to share any of them to anyone else." The Bible does say that God wants the lost to be saved and He wants to reveal Himself and His blessings to all people. Pastors are teaching a *different* gospel and *another* Jesus who is a polar opposite of the real Jesus in the Bible. The fake Jesus does not want the lost to be saved and he wants Christians to be silent and not share the gospel. How about you, are you silent? Which Jesus do you serve?
